PLEASE NOTE:

Once a child is accepted for enrollment at St Anthony School, the child is expected to complete the current school year successfully. Certain situations may arise which may give St. Anthony School cause to rescind acceptance for the upcoming year. For example, if an accepted student fails to successfully complete the current grade according to St. Anthony School guidelines, he/she will not be allowed to advance to the next grade at our school.

Acceptance is not considered truly complete until all final records from previous schools are received, verified, and accepted by St. Anthony School's Administration.

Parents will be notified of any problems regarding such situations, and our school's administration will work with the parents to seek alternative placement in the best interest of the child.

Thank you for your interest and cooperation.
